

Please remember we are closed for a training day on the 3rd June. The first Monday after half term.

A huge well done to our Y6s this week , as it has been SATs week. They all came in for an early start to enjoy a special breakfast. Their attitude, resilience and positivity has been amazing. They celebrated the end of SATs with a trip to a park with some sweet treats, a movie and popcorn. We are very proud of them.

Y3/4 are looking forward to their camp next week at Porthpean, near St Austell. They have a few days of action packed activities. I am sure they will have a fantastic time and we hope they have good weather. Fingers crossed.

Please remember to complete our survey is closes on the 21st May—link is here <https://forms.office.com/e/54x0HZpguA> . Thank you for your support.

Helston Flora Day 2024

Congratulations to ex Pupil Olivia George who led the Flora dance for her college on May 8th this year. Olivia attended Constantine Primary and then

Helston College. What a honor to lead at this prestigious even– not many people get to do that!

Cricket League 2024

Our cricket team are turning up every week and playing really well. Each game takes a different turn depending on the quality of the oppositions bowling techniques. Two weeks ago the wide bowls didn't help us clock up the runs we needed. Last week the bowling was phenomenal from Ma-be.

Tilly in Y4 ,ran 5K recently in the Kolor Dash to raise over £1300 for the hospice which took care of her Granny at the end of her life. What a fantastic achievement!

Lerryn class have enjoyed writing about the Rainforest this week in Literacy. They have explored the features of non-chronological reports and have used these to plan their own reports incorporating facts about the layers of the rainforest and their favourite rainforest animals. They also enjoyed the challenge of drawing as many rainforest animals as possible on one page and used the wide variety of non-fiction books we have in the classroom to identify features and details.

Tresillian

Year 6 visited the church in Constantine to create images in one and two point perspective. They have been looking at perspective in their art learning.
